UNITED STATES DISTRICT COURT SOUTHERN DISTRICT OF NEW YORK

IN RE MUNICIPAL DERIVATIVES ANTITRUST LITIGATION)))	Master Docket # 08 Civ. 2516(VM) (GWG)
This Document Relates to: ALL ACTIONS)	MDL No. 1950

ORDER AND FINAL JUDGMENT ON JPMORGAN SETTLEMENT AGREEMENT

Class Plaintiff City of Baltimore, MD, University of Mississippi Medical Center, University of Southern Mississippi, Mississippi Department of Transportation, University of Mississippi, Central Bucks School District and Bucks County Water & Sewer Authority ("Class Plaintiffs"), individually and on behalf of the putative class of purchasers in the above-captioned class action, and Defendant JPMorgan entered into a Settlement Agreement to fully and finally resolve the Class's claims against JPMorgan. On June 4, 2012, the Court entered its Order granting preliminary approval of the proposed settlement ("JPM Preliminary Approval Order") (Docket No. 1693). Among other things, the JPM Preliminary Approval Order authorized Class Plaintiffs to disseminate notice of the settlement, the fairness hearing, and related matters to the Class. Notice was provided to the Class pursuant to the Preliminary Approval Order and the Court held a fairness hearing on December 14, 2012.

Having considered Class Plaintiffs' Motion for Final Approval of Proposed Settlement with Defendant JPMorgan, oral argument presented at the fairness hearing, and the complete records and files in this matter,

IT IS HEREBY ORDERED, ADJUDGED, AND DECREED:

- 1. This Court has jurisdiction over the subject matter of this litigation.
- 2. Terms capitalized in this Order and Final Judgment have the same meanings as those used in the Settlement Agreement.
- 3. "Actions" means *In re Municipal Derivatives Antitrust Litigation* and each of the cases previously or later consolidated and/or included as part of MDL Docket No. 1950, Master Docket No. 08-2516 (VM) (GWG).
- 4. The JPM Preliminary Approval Order outlined the form and manner by which the Class Plaintiffs would provide the Class with notice of the settlement, the fairness hearing, and related matters. The notice program included individual notice to members of the Class who could be identified through reasonable efforts, as well as the publication of a summary notice in *The Wall Street Journal*. Proof that mailing and publication complied with the JPM Preliminary Approval Order has been filed with the Court. This notice program fully complied with Fed. R. Civ. P. 23 and the requirements of due process. It provided due and adequate notice to the Class.
- 5. The Court approves, as to form and content, the initial Class Action Fairness Act ("CAFA") Notice that was served within 10 days after the filing of the Motion for Preliminary Approval of the Settlement and the supplemental CAFA Notice that was served thereafter (an example of each Notice is attached as Exhibit 1). The Court finds that the Attorney General of the United States, state attorneys general, Federal Reserve Board, and the Office of the Comptroller of the Currency have received notice of the Settlement Agreement in accordance with the terms of CAFA, 28 U.S.C. § 1715(b).
- 6. The settlement was attained following an extensive investigation of the facts. It resulted from vigorous arm's-length negotiations which were undertaken in good faith by counsel with significant experience litigating antitrust class actions.

- 7. By order of this Court dated June 4, 2012 (Docket No. 1693), pursuant to Fed. R. Civ. P.23 and in light of the proposed settlement, the Court certified the following class for settlement purposes (the "JPM Settlement Class"):
 - All state, local and municipal government entities, independent government agencies, quasi-government, non-profit and private entities that (i) purchased by negotiation, competitive bidding or auction Municipal Derivative Transactions with Defendant or any Alleged Provider Defendant or Alleged Provider Co-Conspirator, or (ii) purchased by negotiation, competitive bidding or auction Municipal Derivative Transactions brokered by any Alleged Broker Defendant or Alleged Broker Co-Conspirator, at any time from January 1, 1992 through August 18, 2011, in the United States and its territories or for delivery in the United States or its territories except that excluded are (a) any entity that provides Defendant with a release of any claims it may have against Defendant as a result of opting into the State AG Settlement or otherwise; (b) the Defendant; and (c) any Alleged Provider Defendant, Alleged Provider Co-Conspirator, Alleged Broker Defendant and Alleged Broker Co-Conspirator. Also excluded from the Class are any judge, justice or judicial officer presiding over this matter and the members of their immediate families and judicial staffs.
- 8. Final approval of Class Plaintiffs' settlement with Defendant JPMorgan is hereby granted pursuant to Fed. R. Civ. P. 23(e), because it is "fair, reasonable, and adequate" to the Class. In reaching this conclusion, the Court considered the complexity, expense, and likely duration of the litigation, the Class's reaction to the settlement, and the result achieved.
- 9. The entities identified on Exhibit 2 hereto have timely and validly requested exclusion from the Class and, therefore, are excluded. Such entities are not included in or bound by this Order and Final Judgment. Such entities are not entitled to any recovery from the settlement proceeds obtained through this settlement.
- 10. Pursuant to this Order and Final Judgment, solely with respect to JPMorgan, any and all manner of claims, demands, rights, actions, suits, counterclaims, cross-claims, set-offs, causes of action of any type, whether class, individual or otherwise in nature, fees, costs,

penalties, fines, debts, expenses, attorney fees, damages whenever incurred, and liabilities of any nature whatsoever (including joint and several), known or unknown, suspected or unsuspected, asserted or unasserted, whether common law equitable or statutory, which JPMorgan Settlement Class Members or any of them, whether directly, representatively, derivatively, or in any other capacity, ever had, now have or hereafter can, shall or may have, relating in any way to conduct prior to the date of the JPMorgan Settlement Agreement arising out or related in any way to (i) the purchase of municipal derivatives transactions in the United States or its territories during the period from January 1, 1992 to April 18, 2012, or (ii) any conduct alleged in the Actions or that could have been alleged in the Actions, are hereby dismissed with prejudice and without costs.

- 11. Releasees (as defined in the Settlement Agreement) are discharged and released from all Released Claims (as defined in the Settlement Agreement) by all Class Plaintiffs and JPM Settlement Class Members, and Class Plaintiffs and JPM Settlement Class Members hereby permanently fully, finally, and forever release, relinquish, and discharge, and (regardless of whether they seek or obtain any distribution from the settlement fund) will covenant not to sue, and will be barred and enjoined from instituting, commencing, or prosecuting any such Released Claim against the Releasees.
- 12. The Escrow Account established by Class Plaintiffs' Co-Lead Counsel, and into which Defendant JPMorgan has made an initial deposit of twenty-four million dollars (\$24,000,000.00) and will make an additional deposit of eighteen million six hundred forty-six thousand four hundred twenty-eight dollars and fifty seven cents (\$18,646,428.57), plus accrued interest thereon, is approved as a Qualified Settlement Fund pursuant to Internal Revenue Code Section 4688 and the Treasury Regulations promulgated thereunder.

13. Neither the Settlement Agreement, nor any act performed or document executed

pursuant to the Settlement Agreement, may be deemed or used as an admission of wrongdoing in

any civil, criminal, administrative, or other proceeding in any jurisdiction.

14. Without affecting the finality of this Order and Final Judgment, the Court retains

exclusive jurisdiction over: (a) the enforcement of this Order and Final Judgment; (b) the

enforcement of the Settlement Agreement; (c) any application for attorneys' fees and

reimbursement made by Plaintiffs' Counsel; (d) any application for notice and administration

costs, taxes and tax expenses fees; (e) any application for incentive awards for the Class Plaintiffs;

and (f) the distribution of the settlement proceeds to the Class Members.

15. Pursuant to Fed. R. Civ. P. 54, and finding no just reason for delay, the Court

hereby directs the entry of final judgment as to Defendant JPMorgan.

16. This Order shall become effective immediately.

IT IS SO ORDERED.
